

Botania

Exclusive Energy Promotion

See reverse for details

GROWLAND

We are welcoming all new purchasers at Botania with an Exclusive Energy Promotion to help you save money on rising energy costs, up to a value of \$12,500!

You can select one of the following options:

OR

Save continually with Solar

Growland will contribute towards the cost of installing solar panels or a solar battery on your new home so that you can continue to save money on your energy bills.

One year of Energy on us

Save all your tax invoices for gas or electricity services and we will reimburse you for a year's worth of energy costs of powering your current home.

This offer is available to new purchasers **only** who purchase a qualifying lot within the promotion period and meet all other qualifying criteria.

For full terms & conditions and to learn more about this promotion, please visit the News page on our website or scan the QR code adjacent.
